

Open Gate Garden Kimberley Newsletter

September 2017

Hi All,

We managed to have some fun in between the rain showers at the harvest party, as you can see in the pictures. If you would like any herbs, mint or a pumpkin for carving, please harvest away. The 3 composters are pretty much full, which is great to see. Maybe it is time to expand composting in Kimberley. Any suggestions on this are welcome. The brown materials bin could still use some leaves.

Thank you all for making this garden look better each year!

Here are some events coming up this fall:

October 21st apple pick, meet at **11am** at the Open Gate Garden

October 22nd apple pressing from **11am - 3pm** at the Open Gate Garden

October 25th from **10am** until noon we will get the garden ready for winter. If you have any spare time please feel free to come and help us.

October 28th from **2pm** until **4pm**, we are organizing a **propagation workshop** in collaboration with Cranbrook Food Action. This will be in Cranbrook in the Public Produce Garden at McKinnon park.

Sunday November 5th at **10 am** and **1pm** we are organizing **pruning clinics** with Dave Couse in Kimberley.

Please have a look on our website for more information. www.wildsight.ca/events/

The Open Gate Garden

This is an edible community garden based on sharing knowledge, ideas, tasks and food. There are no allotted plots in this garden and the use of the garden is free to anyone. We ask you to please use the garden with respect, so it will still be there for generations to come. There are gardening tools in the shed for you to use. Please sign the logbook in the shed as this helps with funding for the garden. If you have any questions, ideas or wonder how you can be involved, please feel free contact us at 250-422-3579
