

Reflection and Extension

Following your spring outings, spend some time reflecting on the changes that have occurred since your last outdoor classroom visit. Use some of these questions to guide journaling and reflection:

- Write a story or draw a picture of an animal you see. What would it feel like to be this animal?
- Draw a bug you see
- Draw a picture of something smaller than you and something bigger than you
- Describe the sounds you hear — can you identify any of them? Are these sounds different from the sounds you heard during the winter?
