By signing below, I confirm that I have read and understood the information package and in particular:

- I understand that my involvement in this research will include a short web-based mapping exercise that will take approximately 10 minutes to complete;
- I understand the risks involved;
- I am 16 years of age or older;
- I understand that there will be a direct benefit to me from my participation in this research in the form of entry into a prize draw (see Terms and Conditions of Draw Prize document for details and conditions of the draw process);
- I understand that my participation in this research is voluntary;
- I understand that if I have any additional questions I can contact the research team;
- I understand that I am free to withdraw at any time prior to completion of the mapping exercise if I chose to remain anonymous, without explanation or penalty;
- I understand that if I, participant, complete a survey online, I will be deemed to have consented to their participation in the research;
- I understand that my name and other personal information that could identify me will be removed or de-identified in publications or presentations resulting from this research;
- I understand that if I wish to be identified in this research, I will need to explicitly consent to this at the end of the survey and that in doing so, my name will appear in the acknowledgements section of research outputs (i.e., reports or publications);

- I consent to the inclusion of my written comments/opinions in publications or presentations resulting from this research;
- I understand that I can contact the Manager, Research Ethics, at Griffith University Human Research Ethics Committee on +61 7 3735 4375 (or [research-ethics@griffith.edu.au](mailto:research-ethics@griffith.edu.au)) if I have any concerns about the ethical conduct of the project; and
- I agree to participate in the project.
