1. The prize draw is being run by the research team at Griffith University to encourage participation in the online survey titled: Participatory mapping of socio-ecological landscape values to identify areas of conflict and collaboration.
2. By electing to participate, you accept these terms and conditions as governing the prize draw. Instructions on how to enter the prize draw and details advertising the survey form part of the conditions. Any personal information you provide to us in the course of entering the prize draw will be dealt with by us in accordance with our privacy policy (published at: <http://www.griffith.edu.au/aboutgriffith/governance/planspublications/griffith-universityprivacy-plan>).
3. 10 prizes will be awarded in prize draw, each prize being a gift certificate to one of five local businesses and being worth \$50. Should the advertised prize become unavailable as a result of circumstances beyond our control, we are free (at our sole discretion) to substitute a cash prize equivalent to the value of the prize advertised.
4. Entry is free (other than the cost of accessing the website, which is your responsibility). Entry is open between February 20, 2025, and April 31, 2025. Entries received after the closing date will not be accepted.
5. To enter the prize draw, you must: (a) live or work in the study area, (b) be over 16 years of age; and (c) provide a valid email address.
6. You may not enter the prize draw if you are an employee of ours or an immediate family member of an employee of ours or otherwise associated with the competition.
7. You may only submit one entry in the prize draw.
8. All survey and other materials provided by you become our property. No responsibility is taken for late, lost, or misdirected surveys or entries.

9. Following the closing date, the prize winners will be selected randomly from valid entries received. Each entry can only be drawn once.
10. Subject to system malfunction, the draw will occur on April 15, 2025. If the systems supporting the draw are not functioning as they should when the draw is due, the draw will be held as soon as possible once the systems become functional again. Prize winners do not need to be present at the time of the draw.
11. Prize winner names will not be published.
12. The relevant prize will be sent to each prize winner at the contact information they provided with the prize draw entry. If a contact method has not been supplied, the entry will be treated in accordance with clause 14. Most prizes will be mailed within two weeks of the draw.
13. The right to a prize is not transferable or assignable to another person.
14. If any prize winner cannot be contacted within three (3) months of the draw, then that person's right to the prize is forfeited and the prize will be treated as an unclaimed prize.
15. Only one redraw of unclaimed prizes will take place, and other existing prizes are not affected. The redraw prize winner(s) will be randomly selected from remaining valid entries and notified within two (2) weeks of the redraw. If the redraw prize winner(s) cannot be contacted within three (3) months of the redraw, then we may determine that the relevant prize(s) will not be awarded.
16. Prizes cannot be substituted for another prize at the election of the prize-winner.
17. We are not liable for any loss, expense, damage, or injury sustained by any entrant in connection with this prize draw, the prize or redemption of the prize, except for any liability which cannot be excluded by law (in which case, that liability is limited to the minimum allowable by law).
18. We may suspend the promotion if we determine that the integrity or administration of the promotion has been adversely affected due to circumstances beyond its control. We may disqualify any individual who tampers with the entry process.
