

wildsight
Kimberley | Cranbrook

JOIN OUR BOARD OF DIRECTORS

Are you passionate about building a sustainable future in the East Kootenays? Do you believe in the power of community to initiate meaningful change? Wildsight Kimberley/Cranbrook is looking for new board members to help guide and grow our work in the region.

As a volunteer board member you would commit an average of 5 hours per month into meetings, additional correspondence and special events. Please contact Andrea, kimcran@wildsight.ca if you are interested in this opportunity.

We're especially interested in folks who:

- Have strong community connections in **Cranbrook** and are excited to help shape or support local programming growth.
- Bring experience in **human resources** or team support, whether it's hiring, workplace wellness, or helping organizations thrive.
- Are educators or have experience in environmental **education programming**, particularly those interested in helping us grow our environmental education work.
- Are rooted in or inspired by **sustainable living**—whether that's local food, farming, or hands-on environmental action.
- Want to contribute their energy, ideas, and unique perspective to a grassroots, community-based organization.

We're a small but mighty team, and board members play a meaningful role not just in governance, but in dreaming up new possibilities, helping with events, and staying connected to the heart of the community.

If you're curious, excited, or know someone who might be a great fit, reach out to Andrea kimcran@wildsight.ca! No board experience needed, just a willingness to learn and a love for this place we call home.

About [Wildsight Kimberley Cranbrook](#):

[Wildsight Kimberley/Cranbrook](#) empowers environmentally responsible citizenry and strives to support a conscious local economy. We aim to provide consistent and ongoing leadership by

engaging and listening to the concerns of the community, then responding with care, insight and innovation.

Our non-profit focuses on initiatives that support environmental conservation, education and regeneration. Working closely with the communities of Kimberley and Cranbrook, we aim to inspire positive relationships with the environment. As a branch of Wildsight, we protect biodiversity and encourage sustainable communities.
